”

Our schools have been great about planning special events that show celebration and appreciation, two very important sentiments that we should not take for granted any time, but especially right now. Davie County Schools has a really positive story to tell and that is one of community, trust and love in this time of adversity. It's a really important lesson we can share with our students.

## *Celebrate Our Community*

Our community has stepped up in a big way! We continue to thank those who are supporting Davie County Schools in a special way during this time:

- Davie High Hunger Fighters
- Chick-fil-A of Clemmons
- Magne Shade
