Superintendent's Message

"Words cannot express how grateful I am for this team. You have stayed the course and accomplished so much since March of 2020. You have done it for children. Your hearts are in it. During this time of year, I am reminded of just how much there is to be thankful for and all the many blessings we have in our lives. I am thankful for every member of this Davie County Schools' team. Thank you for being all in for our students and for each other, and for making Davie County Schools such a special place to work and learn."
