

# How to Create a Parent/Guardian Observer Account for Canvas

## STEP 1: In the student's Canvas Account (access through NCEdCloud)

1. Student Logs in to NCEdCloud
2. Click on the Red Canvas Icon
3. Go to Account by clicking the person icon in top left of screen
4. Then select Settings
5. Then click the "Pair With Observer" button in the right hand navigation
6. Write down the code

## Then the parent/guardian creates the account by...

1. Going to <https://davie.instructure.com/login/canvas> (this is not the same link as for students, please make sure you use this link)
2. Select "Parent of a Canvas User? Click here for an account"
3. Enter your name, email, choose a password, and enter the pairing code (#4 from above)
4. Start observing!
